

PERMANENT ESD BUBBLE WRAP ROLL (GREEN PE, 1X200M)

SKU: 640718B

ANTISTATIC BUBBLE WRAP ROLL - PERMANENT

ESD safe bubble wrap roll with permanent static dissipative properties, lightweight, easy to cut and use. Its small strong bubbles barrier provides a superior packaging protection with excellent puncture and tear resistance.

Specifications

- Dimensions: **1 x 200 m**
- Colour: Green, transparent
- Material: **multilayer polyethylene**, amine-free, **heat sealable**, recyclable
- **Anti-static life: min. 5 years**
- Surface resistivity: $< 10^{11}$ Ohm
- Decay time: < 2 sec.
- IEC 61340-5-1 compliant.
