

EVAPORUST - CRC RUST REMOVER (1L)

SKU: 160137A

CRC EVAPO-RUST IN 1 LITRE CAN

CRC Industries Evapo-Rust® - Non-toxic & non-corrosive rust remover with a wide application range.

Thanks to its highly powerful, heavy-duty formula, **it removes even the toughest rust.**

It is at the same time very safe and easy to use. No scrubbing or sanding are required.

Environmentally friendly product: water-based, biodegradable, reusable.

Packaging: **1 litre can** - CRC product no.: **33399**.

Method of employ

- If the item to be treated is dirty or oily, pre-clean it and rinse thoroughly
- **Immerse it in EVAPO-RUST until the rust is completely removed**
- Depending on the quantity of rust to be removed, it is recommended to let the item soak **from 6 to 24 hours** (NOTE: If EVAPO-RUST is used below 15°C, cleaning times will be extended. Warmer temperatures will improve rust removal capabilities)
- Once rust is removed, rinse the item with water and let it dry
- For optimal results, protect it with an anti-corrosion product or paint
- **EVAPO-RUST is reusable** and you may use it again in the future
- Store cool (above 0°C) and dry.

Specifications

- Ready-to-use product for application by immersion
- No fumes or bad odours, non-flammable, no VOCs
- Not harmful on unruined steel, safe on other metals
- Will not affect plastic, PVC, Viton and non-oxide-based paints
