

EASY ADJUSTMENT ESD PCB RACK (120°C, 355X320X563H MM)

SKU: 149377Q

HI-TEMP RACK FOR 350 X 50/250 MM PCBs

ESD safe conductive PCB rack with high-temperature resistant lateral plates, suitable for use with Pick & Place. Gear track allows easy adjustment.

Specifications

- Can accommodate up to **50 PCBs**
- PCB dimensions: **350 x (50-250) mm**
- Side guide slot: Depth 3.5mm, Width 5mm, Pitch 10mm
- Overall dimensions: 355 x 320 x 563H mm
- Lateral plates material: High-temperature ABS/PC plastic (**120 °C max.**) – NOT suitable for baking
- Metallic top and bottom boards
- Surface and volume resistance: $10^4 \sim 10^6 \Omega$.

Spare parts available (NOT included): Stop Bar (product code 149377QSTOP).
