

HSA MANUAL SWITCH FOR S2 DISPENSING SYSTEM

SKU: 981318A

HSA - Hand switch assembly for S2 dispensing system (El.Mi product no. 650230P).

Alternative switch to the dispenser's built-in foot pedal: instead of using the foot switch, the operator can push the button placed on the velcro sleeve around the syringe.

Suitable for syringes of all sizes (5 / 10 / 30 / 55 cc).

ATTENTION: The product image is published for illustrative purposes. The syringe is NOT included in the supply.
