

30-LAYER ANTISTATIC STICKY MAT FOR CLEANROOM (114X66CM, 4PCS)

SKU: 640012CQ

30-LAYERED FLOOR MAT, 4 PIECES PACK

Multilayered ESD safe sticky mat for cleanrooms, laboratories and EPA areas.

Peel-off sheets capture dirt and dust from shoes and equipment at the entrance of a controlled area, preventing contaminations.

Their smooth, effective surface is not damaged by shoes, boots or cartwheels.

Numbered layers allow you to quickly calculate how many of them are left.

Package content: 4 multilayer tacky mats with 30 layers each.
