

PISTON FOR 30/55CC DISPENSING SYRINGES (50PCS)

SKU: 981259C

WHITE PISTONS FOR 30/55CC SYRINGES

Piston for dispensing syringe, White colour.

Suitable for use with both **30cc** and **50cc** capacity syringes.

Package content: **50 pieces**.

Pistons ensure pressure is evenly spread across the fluid surface, in order to provide consistent dispensing. They prevent dripping and eliminate waste by wiping the syringe barrel wall clean as fluid is dispensed.
