

POWER BAR FOR SMART WORKBENCH (180CM)

SKU: 581885P

Power bar kit for El.Mi Smart workbenches, width 180 cm.

It can be attached to the bench rear uprights every 5 cm at the desired height.
Epoxy powder coated steel structure. Colour: **Light Grey** (RAL 7045).

Equipment:

- 6 schuko outlets + bipasso
- 1 switch
- 1 grounding point
- Arrangement for network sockets (sockets installation is not included, available on customer's request only).

ATTENTION | To be able to fix this accessory to the basic bench it is necessary to have installed a pair of **rear uprights** (code 580200).
